There are a lot of changes at Endwell Greens this year, and, I'm happy to say I'll still be teaching there! A big thank you to Jeff and Dana Pilarcek for choosing to have me stay on and teach. Since the beginning of April, I've been slowly getting ready and giving lessons at my "home on the range." I have made a price change (first since 2008) to the 1/2 hr and semi-private lessons. The semi-private lessons will now be 1 hour, previously 45 minutes. I've also added a choice of "on course" lessons, ranging from 1-2 hours. Choose from private, semi-private, or a group of 1-4 students. The "on course" lessons *must* be booked through me either by phone or text. I'll also have occasional specials on my business Facebook page, "Jorie Ftorek Golf" and my website. Looking forward to seeing you soon.

20th ANNUAL FTOREK FINALE

11:00 AM Wed. Sept. 13, 2017 EGGC

The 20th annual Ftorek Finale will be held on Wed. 9/13/17 at Endwell Greens. To play, you must be a female student of mine who's had at least 1 lesson this year. It's a 9 hole Captain & Crew format, & I put the teams together. Being the 20th annual, it will be a great celebration. The field is limited to 72. If you know you want to play, please let me know as soon as possible. It's a very special day for my students and local breast cancer charities.

I've been offering the opportunity for anyone to sell or purchase used clubs for many years. Clubs for sale must be "newer" models, putters-drivers. To sell clubs, leave them with me on consignment. To purchase, come try them on the range to make sure they're the "right fit" for you.

VIDEO ANALYSIS: I've been using video for many years. If you'd like video feedback, please ask.

COACHES CORNER

I'm very exciting about the upcoming season. There are many changes inside Endwell Greens, which includes the bar/restaurant area. It's been totally remodeled, and, will now have a full time cook. Not a bad idea to have lunch after a lesson. With the warmer weather, the course will be getting some attention too. As for me, I'm excited to offer the 1/2 day clinics. They're designed for those who want to have a chance to learn & work on the major parts of the game, including time on the course. Check Facebook (Jorie Ftorek Golf) or my website for future 1/2 day clinic dates. I'm not as proficient as I need to be on Facebook, but, I'm working on it. My "Jorie Ftorek Golf" Facebook page will have updates and occasional specials. The "on course" lessons are a favorite of mine, and, I'm offering more options! Even though they take me away from EGGC, I'm happy to say that once again I've been selected to teach at several LPGA clinics through-out the summer. It's a great honor, and, I'm very grateful. Which brings me to my other job as the Binghamton High golf coach. I love coaching my team. It's fun, challenging and rewarding. If anyone knows a student (male or female) in the Binghamton district that would like to play golf, let me know. Not to forget my Dad, he's 97, and doing well!
